ABOUT THE CAPE QUEEN

The Cape Queen was completed in May 2007. Ensuring she would be one of the safest vessels in the Cape May fleet was our first priority. The boat was manufactured with five separate watertight compartments that allow her to stay afloat if the hull is breached. She exceeds the U.S. Coast Guard's highest safety standards and is certified to carry 28 passengers and a crew of 2 up to 100 miles offshore. The Cape Queen is one of the very few "certified" boats in Cape May. Safety features include an automatic inflatable life raft, automatic emergency locator EPIRB, long range SSB radio, two VHF radios, long range radar, GPS navigation, satellite weather receiver, satellite phone, and dual electronic plotters.

The boat boasts a huge 20 foot fishing deck. We offer new Penn International reels and a vast array of light, medium, and heavy tackle to handle any fishing situation.

You can enjoy your trip in the heated and air-conditioned wheel house listening to the AM/FM stereo with Sirius satellite receiver or watching a movie on our DVD player with two 19" LCD screens. A microwave and coffee are available for your convenience.

**Plan your next trip aboard the
CAPE QUEEN**

ABOUT THE CAPTAIN

Captain Andy Merendino is a master, 50 ton rated captain. He has owned and operated charter fishing boats in Cape May for over thirty-five years. His reputation is legendary. Capt. Andy is one of the most experienced and respected captains in South Jersey. His objective is to do everything

in his power to make your trip safe and fun, plus he will work tirelessly to catch fish. We are fortunate and pleased to have Capt. Andy take command of the Cape Queen.

RESERVATIONS - PAYMENTS CANCELLATIONS - REFUNDS

RESERVATIONS and PAYMENTS

- ⇒ A 50% deposit (\$300 minimum) is required within 72 hours of your reservation.
- ⇒ Trips must be paid in full before departure.
- ⇒ We accept cash, check, PayPal, and credit cards.
- ⇒ Checks require 14 days to clear.

- ⇒ If you must deviate from our policies, call us and we'll be glad to accommodate you.

CANCELLATIONS and REFUNDS

Cancellations 15 days before the scheduled trip can receive a 100% refund or re-schedule.

Cancellations made less than 15 days before the scheduled trip can receive a refund LESS \$300.

Weather cancellations, as determined by the captain, can receive a 100% refund or re-schedule.

HOW TO GET THERE

DIRECTIONS

GSP south to the end - or any road to Cape May. Follow U.S. Hwy 109 south. The South Jersey Marina is over the bridge past the Lobster House. The Cape Queen is in the first row of boats visible from the street.
